WINERIES

WINERIES	VARIETIES	REGIONS	PRICES	MY TIPS
Te Mata Estate	 Sauvignon Blanc, Chardonnay Malbec, Merlot, Cabernet Sauvignon, Pinot Noir, Gamay 	Hawke's Bay	From 19\$ to 40 \$	If you dont know what colors to pick go for the red ! Good Price - quality ratio for a European Palate :)
Milton	 Chenin, Viognier, Riesling, Gewurzt, Chardonnay, Muscat Malbec, syrah, Pinot Noir 	Gisborne	From 18\$ to 65\$	The first to be biodynamic in New Zealand. This choice is the best you could make ! Definitely my fav !
Craggy Range	 Riesling, Pinot Gris, SAV, Chardonnay Malbec, Tempranillo, Syrah, Pinot Noir, Cabernet Sauvignon, Petit Verdot , Merlot 	Hawke's Bay	From 23\$ to 130\$	European style of wine, if you guys feel home sick that is the winery i would recommend you !
Mahi	 Sauvignon Blanc	Marlborough	From 25\$ to 40\$	Mahi are the experts of Sauvignon Blanc! I promise you it doesn't taste like cat pee.

The supermarkets in New Zealand have a selection of regional wines. It is tricky to find wines from the south island in the north island and vice versa !
I always go for a Biodynamic in the area and if not; the wineries listed above are all a relevant choice for pleasure and happy wallet !
